

The Guild has worked hard to be prepared so that we can offer our classes and events responsibly and safely. In order to ensure that we follow through with that intent, we have implemented the following policies and guidelines:

- Masks are optional and ONLY required at teacher's discretion for group and private lessons.
- All facilities are professionally deep cleaned on a regular basis and additional wipe downs and disinfectants happen between each student, class, or patron interaction.
- Newsletters will be distributed in class and virtually. It will be important that parents check emails frequently. Please ensure that we have a valid email address for you on file and that you are subscribed to all iclasspro emails.
- Be sure to follow us on social media on our Facebook and Instagram pages!
- Parents must drop off and pick up at the front entrance in the driveway right in front of the main doors as indicated in yellow on the map below. It is critical that parents be on time for drop-off and pick-up. Enter and exit our facility as the map below indicates using the W. Hawthorne Street as an entrance and exit.
- Please do not park in "blue areas" that are marked handicap-accessible. Leave the ramp accessible at all times.
- Parents are always welcome to park in our parking lot and walk their children to and from the front entrance. The drop-off area is designed for drive-through only. If you need to stop and wait, please use an appropriate parking spot to wait for your child, or feel free to walk up to the entrance to get them.

- For all assistance with payments, class registration, or any other need, please call 706.278.0168 Monday-Thursday 9:00 am-6:00 pm.

We appreciate your help, understanding, and support in ensuring that these guidelines and precautions are met so that we can keep our Guild community safe and well! Thank you for sticking with us! We cannot wait to enjoy the arts with you this summer!
